

## 2019-20 MIDDLE SCHOOL SUPPLY LIST

We have a NEW way to get your school supplies! This year the PA will be offering easy-to-order school supplies through Yubbler--an online ordering site. Your child/ren's supplies will be packaged by grade and shipped next day (with free shipping on orders over \$25). Optional items such as backpacks and calculators will also be available. To place your school supply order and support the Parent Association, please visit this site:

<https://www.yubbler.com/Yub/Details/28874>.

OPTIONAL: The School has Chromebooks available via ChromeCarts for student use throughout each Division. Some students, however, prefer to bring and use their own laptops, which is fine. The School uses the HP Chromebook Education Edition 11G6. Parents are welcome to purchase these for their child's personal use if desired, and they are made by several different manufacturers. [Here is a link to one online retailer that sells several different comparable models](#). They can also be found at stores such as Walmart. Parents may also purchase any other type of Chromebook or laptop with equivalent specs that can run Windows 10 or macOS Mojave (10.0 or newer).
