Bus Routes
The bus routes to and from our Goshen Campus will be maintained for 2020-21. New route times are below, times are approximate and may fluctuate due to traffic and/or weather. Students will get a health screening before boarding any bus, including a symptom check and temperature check by SFS staff, and each student will use hand sanitizer prior to getting on the bus; they will also wear masks at all times while on the bus. Siblings will be seated together; all students will have assigned seats; and we will fill the bus from back to the front. To facilitate all of this, there will be an additional adult on each morning bus route who does the health screening. Parents must wait with their child/ren in the morning until the child has cleared the health screening.

Parents should arrive AT LEAST 10 minutes prior to the listed time(s) and may not leave until your child(ren) has cleared the health screening.
