

Bluewater COVID-19 VIP Testing for St. Francis

Please read all instructions carefully before registering! Thank you!

REGISTRATION: Dial 1.833.561.0512 on your mobile phone.

1. Listen to the automated instructions on the call and wait for a text message.
2. Click the link at the bottom of the text message. **This link is unique to the patient and cannot be shared or re-used.**
3. The link will take you to your **custom registration form** where you will be prompted to enter basic demographic information and asked to provide photos of your ID and insurance card.

TIPS for registering:

Take photos BEFORE clicking the registration link. You'll need:

- a photo of the front side of your ID/driver's license
 - photos of the front *and* back sides of your health insurance card
 - When prompted for symptoms please select all that apply. If you are without symptoms, please select "COVID Screening--No Symptoms" to continue with the registration process.
 - If you do not have health insurance, please click the corresponding box on the form to provide your social security number so Bluewater may seek Federal CARES Act funding.
4. Choose "submit" to complete the registration process. You will then receive another text message containing your personal registration number. **Although the registration text indicates the Goshen campus address as the testing site, please use one of the locations below for VIP testing. PLEASE IGNORE THE SFS GOSHEN CAMPUS ADDRESS on the automated text.**

VIP SFS TESTING HOURS

Monday - Friday, 9 am-4 pm
Arrive before 11:30 am if you need same-day results.

VIP SFS LOCATIONS

Upon arrival, please identify yourself as a St. Francis School family and be prepared to provide your personal registration number (and the numbers for all family members being tested).

All testing is drive up - no need to get out of your car.

Downtown	Middletown
Family Health Centers, East Broadway 717 Logan Street Louisville, KY 40204 (in the grey trailer marked " COVID-19 testing" in the parking lot behind the FHC)	Southeast Christian Church Entrance #3 off Watterson Trail 920 Blankenbaker Parkway, Louisville, KY 40243

TESTING OPTIONS: NASAL SWAB OR ORAL RINSE

Please let the Bluewater associate know whether you and your family prefer a **nasopharyngeal swab** or **oral rinse collection**. NOTE: If you prefer your minor child's sample to be collected via oral rinse (gargling a solution in the mouth for 60 seconds) let Bluewater know. No food or drink can be consumed 30 minutes before oral rinse testing.

RESULTS

In the late afternoon/early evening, you will receive a link to your secure RT-PCR test results via text message. If you have issues retrieving the results, please contact: www.bluewaterdx.com/client-services/ or 502.538.2980.

REGISTERING CHILDREN AND OTHER FAMILY MEMBERS

You will need to separately register each family member who plans to be tested. (e.g., *If you and two children are being tested, you will call the toll-free number above three times—once for each family member. Each time, you would complete the form using that individual's information. This would ultimately generate three registration numbers.*)

Registering children under the age of 18: For the required photos, please use the parent's ID/license and the insurance card corresponding with the plan under which the child is covered. However, fill in the child's information (name, date of birth, race, ethnicity, etc.) in all other fields.
